Dear Mr. Crowley:

Re: Retirement of White Cap #11 File, S/015/048, Emery County, Utah

Gypsum Resource Development, Incorporated filed a Small Mine Operator's Notice of Intention with us on March 13, 1990, for the White Cap #11 mine site. The location of the site is the SE 1/4, Section 14, Township 19 South, Range 10 East.

The site has not been disturbed and is within two miles of your active White Cap #8 site. Pursuant to our Related or Neighboring Sites Policy (copy attached), any future disturbance to this site will be processed under your White Cap #8 permit. There is no need to maintain the White Cap #11 file any longer and it will be retired accordingly.

Please contact us at your earliest convenience, if you have further questions or concerns regarding this action.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
